# ZOBOSKI SEMINAR

Arabba, Italy, Dec 7 - 10, 2016

Organized by the Slovenian Association for Maxillofacial and Oral Surgery  
Organizira Združenje za maksilofacialno in oralno kirurgijo Slovenije - ZMOKS

## Dear colleagues!

I am writing to you again to remind you of the 10<sup>th</sup> Zoboski International Seminar, where advanced implantology and regeneration techniques, prosthodontics, orthodontics combined with surgery, imaging diagnostics, aesthetic procedures and TMJ surgery, will all be covered. The Seminar is traditionally held in Hotel Grifone ([www.hotelgrifone.com](http://www.hotelgrifone.com)) in Arabba, Italy, and is organized by the Slovenian Association for Maxillofacial and Oral Surgery (ZMOKS).

Faculty members are experienced surgeons, periodontists, prosthodontists and orthodontists, and come from all over Europe: Austria (Norbert Fock), Belgium (Joël Defrancq, Sten Stevens), France (Luc Arzel), Germany (Georg-Hubertus Nentwig, Bernd Giesenhausen, Adrian Kašaj), Greece (Stavros Pelekanos), Hungary (Dávid Hangyási) and of course Slovenia (Martina Drevenšek, Vojko Didanovič, David Dovšak, Tadej Dovšak, Rok Gašperšič, Rok Zupančič and Aleš Vesnaver).

As always, hands-on workshops on models and animal specimens will be held in the mornings and lectures in the afternoons. In the mornings, participants will be able to choose between parallel workshops.

On the first day of the Seminar, a pre-course workshop on Aesthetic Facial Procedures in the Dental Office will take place in the morning. For all the Early Birds who will register and pay the Registration Fee until September 30, the pre-course workshop will be free of charge. For the others, joining the pre-course workshop will require an additional fee.

Further information is available on the ZMOKS website ([www.zmok.si](http://www.zmok.si)). You can also send us your e-address to [info@zmok.si](mailto:info@zmok.si) and receive further information by e-mail. If you want to secure your place, hurry up with the registration process, as the number of participants is limited to 40.

Best regards & see you in Arabba!

Zoboski Seminar Chairman:  
Doc. Aleš Vesnaver, MD, PhD  
President of the Slovenian Association for Maxillofacial and Oral Surgery

# COURSE FACULTY

Luc Arzel, DMD is an orthodontist and has his private practice in Cherbourg, France. He was assistant professor at Nice University and regularly lectures on mini implants and class II correction with the Wilson system.

Contact: [lucarzel@free.fr](mailto:lucarzel@free.fr)

Assist. Vojko Didanovič, MD is a maxillofacial and ENT surgeon and works at the University Medical Centre Ljubljana and the Faculty of Medicine in Ljubljana, Slovenia. As the Head of the Oncologic team, his primary focus is oncologic and microvascular reconstructive surgery.

Contact: [vojko.didanovic@kclj.si](mailto:vojko.didanovic@kclj.si)

Assist. Tadej Dovšak, MD is a maxillofacial surgeon and works at the University Medical Centre Ljubljana and the Faculty of Medicine in Ljubljana, Slovenia. He is part of the Oncologic team, but also focuses on implantological rehabilitation in oncologic patients.

Contact: [tadej.dovsak@kclj.si](mailto:tadej.dovsak@kclj.si)

Norbert Fock, MD, DMD is a maxillofacial surgeon who worked at the University Hospital in Vienna, Austria for 10 years. Since 2004, he has his own private practice, focusing on implant dentistry with bone grafting procedures, as well as aesthetic facial surgery.

Contact: [norbert.fock@univie.ac.at](mailto:norbert.fock@univie.ac.at)

Bernd Giesenhausen, DMD is an implantologist and inventor of the Bone Ring Technique for horizontal and vertical bony augmentation. He has his private practice at the Clinic for Implantology in Kassel, Germany.

Contact: [b.giesenhausen@gmx.de](mailto:b.giesenhausen@gmx.de)

Doc. Adrian Kašaj, DMD, PhD is a periodontist and works at the Department of Operative dentistry and Periodontology at the University of Mainz, Germany. He is well known for reconstructive periodontal and periimplant procedures.

Contact: [kasaj@gmx.de](mailto:kasaj@gmx.de)

Doc. Stavros Pelekanos, DDS, PhD is a prosthodontist and has his private practice in Athens, Greece, oriented towards prosthodontics, implantology and esthetic dentistry. He is an assistant Professor at the university of Athens (Dpt. of Prosthodontics) and active member of the EAED (European Academy of Esthetic Dentistry)

Contact: [pelekan@otenet.gr](mailto:pelekan@otenet.gr)

Doc. Aleš Vesnaver, MD, PhD is a maxillofacial surgeon and works at the University Medical Centre Ljubljana and at the Dental Centre Apolonija in Ljubljana, Slovenia. His speciality is TMJ surgery, but also OGS, trauma surgery, laser surgery and implantology.

Contact: [ales.vesnaver@gmail.com](mailto:ales.vesnaver@gmail.com)

Joël Defranco, MD, DDS is a maxillofacial surgeon with his private practice at the o2 clinic in Antwerp, Belgium, sharing his professional time between orthognathic surgery and advanced reconstructive implant surgery.

Contact: [joeldefr@ncq.be](mailto:joeldefr@ncq.be)

David Dovšak, MD is a maxillofacial surgeon and has his private practice at the Dental Surgical Centre in Ljubljana, Slovenia, dealing mainly with implantology, oral surgery, laser surgery and aesthetic facial surgery.

Contact: [david@d-center.si](mailto:david@d-center.si)

Prof. Martina Drevensek, DMD, PhD is an orthodontist and Head of the Dental clinic at the University Medical Centre Ljubljana and is very experienced with pre and post-op orthodontics in orthognathic patients. She also teaches at the Faculty of Medicine in Ljubljana, Slovenia.

Contact: [martina.drevensek@gmail.com](mailto:martina.drevensek@gmail.com)

Doc. Rok Gašperšič, DMD, PhD is a periodontist and works at the Dental clinic of the University Medical Centre Ljubljana and at the Faculty of Medicine in Ljubljana, Slovenia.

Contact: [rok.gaspersic@mf.uni-lj.si](mailto:rok.gaspersic@mf.uni-lj.si)

Dávid Hanygási, DMD is a periodontist and is the acting Head of the Department of Periodontology at the University of Szeged, Hungary. His main interests are periodontal reconstructive and regeneration procedures.

Contact: [hanyasidavidbotond@gmail.com](mailto:hanyasidavidbotond@gmail.com)

Prof. Georg-Hubertus Nentwig, DMD, PhD is an oral surgeon, widely known as the father of Ankylos implants. He is the Head of the Poliklinik für Zahnärztliche Chirurgie und Implantologie at the University of Frankfurt/Main, Germany.

Contact: [g.h.nentwig@em.uni-frankfurt.de](mailto:g.h.nentwig@em.uni-frankfurt.de)

Sten Stevens, MD, DMD is a maxillofacial surgeon and works at the ZMACK Association in Antwerp, Belgium, dealing mainly with orthognathic surgery and aesthetic surgery.

Contact: [sten.stevens@gmail.com](mailto:sten.stevens@gmail.com)

Rok Zupančič, DMD is a prosthodontist and has his private practice at Zobozdravstvo Zupančič in Ljubljana, Slovenia.

Contact: [rok.zupancic@ortodont.si](mailto:rok.zupancic@ortodont.si)

# COURSE PROGRAMME

WEDNESDAY, Dec 7

PRECOURSE (Additional Fee)

Precourse Workshop:

8:00 - 11:00

David Dovšak & Aleš Vesnaver

Aesthetic Facial Procedures in the Dental Office

14:00 - 15:00

**REGISTRATION**

15:00 - 15:30

Aleš Vesnaver: Welcome Address

**AFTERNOON LECTURES**

15:30-16:00

Norbert Fock

A Journey through Anatomy

16:00-16:30

David Dovšak

Rationale and Techniques of Socket Preservation

16:30-17:00

Dávid Hangyási

Biomaterials for Hard and Soft Tissue Management - 3D lecture

17:00-17:30 Break

17:30-18:00

Rok Zupančič

Removable Dentures on Teeth and Implants

18:00-18:30

Sten Stevens

The Palatal Distractor and the Smile

THURSDAY, Dec 8

**MORNING WORKSHOPS**

Workshop 1:

8:00 - 11:00

Joël Defrancq

Orthognathic Surgery with Implant Rehabilitation

Workshop 2:

8:00 - 11:00

Rok Zupančič

Impression Techniques and Materials

**AFTERNOON LECTURES**

16:00-16:30

Georg-Hubertus Nentwig

Mandible Derived Bone Cylinders or Bone Blocks to Restore Large Deficiencies Prior to Implant Treatment

16:30-17:00

Tadej Dovšak

Zygomatic Implants as An Alternative to Sinus Lift in Extreme Resorptions

17:00-17:30 Break

17:30-18:00

Bernd Giesenhagen

The Bone Ring Technique

18:00-18:30

Luc Arzel

Temporary Anchorage Devices (TADs) in Orthodontics

18:30-19:00

Aleš Vesnaver

The TMJ Made Simple

# COURSE PROGRAMME

FRIDAY, Dec 9

## MORNING WORKSHOPS

### Workshop 1:

8:00 - 11:00

Luc Arzel

TADs - How and When to Do it

### Workshop 2:

8:00 - 11:00

David Dovšak & Tadej Dovšak

Imaging Interpretation (X-ray, OPG, CT, CBCT, MRI)

## AFTERNOON LECTURES

16:00-17:00

Stavros Pelekanos

Ceramic Veneers-Minimally Invasive Preparation and Cementation Procedures

17:00-19:00 Après Ski Party

SATURDAY, Dec 10

## MORNING WORKSHOPS

### Workshop 1:

8:00 - 11:00

Bernd Giesenhagen & Norbert Fock

Extensive Bony Augmentation and Soft Tissue Coverage

### Workshop 2:

8:00 - 11:00

Stavros Pelekanos

Ceramic Veneers - Preparation Techniques

## AFTERNOON LECTURES

16:00-16:30

Martina Drevenšek

Our Experiences with SARPE

16:30-17:00

Rok Gašperšič

Basic Muco - Gingival Plastic Surgery Procedures

17:00-17:30 Break

17:30-18:00

Adrian Kašaj

Advanced Muco - Gingival Plastic Surgery Procedures

18:00-18:30

Vojko Didanovič

Implant Dental Rehabilitation in Oncologic Patients

18:30-18:45

Aleš Vesnaver: Course Closure
